How to retrieve industry averages and ratio data from eStatementStudies

www.oru.edu/library > Database List > eStatementStudies

To explore the North American Industry Classification System (NAICS), visit: http://www.census.gov/eos/www/naics/

Select an NAICS code from drop-down list or search by keyword.

Select Annual Statement Studies

Select the FRB History tab to see 5 years of Financial Ratio Benchmarks.

More years are available from the Year drop down menu.

Export to Excel

For regional data, select from drop down menu.

Select Financial Ratio Benchmark Data for information on how the ratios are computed.
